

## ***Worthington Christian School Hostess Supper Fundraiser***

Plans are underway for the Annual WCS Hostess Supper scheduled for ***Thursday, April 11 with social time starting at 6 p.m. and dinner at 6:30.*** What an awesome night of fellowship and fundraising for our school!

For those new to the Hostess Supper, it is an evening in April where we invite friends, family and supporters of the school to sit at a table we host for the school. Each family is asked to decorate an 8 foot table, invite guest(s), and provide either the whole meal or a portion of the meal (including dessert). If you provide a portion of the meal you can ask your guests to provide a dish or pair up with another table host. We suggest 8-10 people per table. Some families host more than 1 table. We can assist you in filling your table if you would like. After supper we will be entertained by Luke Winger inspirational speaker & juggler. Check out [LukeWinger.com](http://LukeWinger.com) to learn more. This event is a free will donation and has been very successful in raising funds for our school.

***New Kindergarten Families*** will have the option to hosting a table. If you choose to, you can host your own table or be paired with another family and jointly host a table. We have mentors that will help you with this fundraiser whether you host a table by yourself or pair with another hostess.

***New Families*** in the upper grades, we are asking you to host a table. We also will have mentors to help you out with the process. There will be a more in depth letter later detailing how this fundraiser works if you have not participated before. In the meantime, feel free to contact one of the committee members below.

Let your guests know that it will be an amazing evening. More details will follow in the next couple of weeks. We look forward to being entertained by the talented Luke Winger. After your guests enjoy a wonderful meal they can sit back, listen, laugh, and enjoy! Thanks in advance for your cooperation and willingness to help us make this fundraiser a huge success!

The first part of getting ready for this evening is to start inviting your guests. You may choose to invite your own or ask for a guest list to help fill your table. Please start on this right away as people's schedules fill up and it gives the committee enough time to make sure tables are filled. Guests often include family members, school supporters, community contacts, friends, and families that we'd like to introduce to our great school!
