

WCS PARENT & STUDENT HANDBOOK SIGN-OFF

NOTE: The Parent & Student Handbook may be found on the WCS website (<http://www.worthingtonchristianschool.org/admissions/registration-process.cfm>).

A printed copy will be provided upon request only.

By signing below, you are hereby acknowledging that you 1) have read the Parent & Student Handbook and 2) agree to abide by all items outlined within the Handbook.

While we have attempted to cover many specifics in the Handbook, new situations, issues, or questions do arise and must be handled on a case-by-case basis. Items not clearly defined in the Handbook will be handled by the school Administration, with the assistance of the WCS School Board as necessary.

Also, while we don't expect [younger] students to read through the Handbook in its entirety, we do ask that you, as the parent/guardian please take the time to sit down and go over pertinent and age-appropriate sections of the Handbook with your child(ren). They can't be expected to follow rules if they don't know them, and classroom time does not allow for a review of the Handbook with students. Some examples that should be discussed include Academic Policies, grading scales, Student Conduct, General Rules (regarding Discipline), Behavioral Policies, Anti-bullying Policies, Dress Code, and the Cell Phone Policy (as appropriate).
