

## WCS Boosters Mission Statement

The Boosters Committee exists for the purposes of broadening the involvement of student families through various ways of support. The committee works to achieve this through active participation of as many parents and supporters as possible and working closely with the teachers and administration of Worthington Christian School as follows:

- To raise funds and assist in holding down “extra” school expenses by annual fundraisers and family dues.
- To promote and encourage student, and parent/guardian participation in all school fundraisers, activities, etc, either as an active participant or as a volunteer.
- To promote and encourage attendance in fundraisers, school activities, and meetings by the parents, WCS society members, and faculty.

## Booster Meetings

All parents, grandparents, aunts, uncles, friends, neighbors and any others interested in supporting WCS are encouraged to attend Booster meetings. Boosters is a great way to join with other families and raise funds to support our school financially. Chair, co-chair, and advisory board members must be present at the Booster meeting prior to their committee scheduled event.

WCS would not be what it is today without the financial blessings that come from Boosters.
